About the A.V.Charities

The Anbanathapuram Vahaira Charities established in 1806 by the five philanthropic families of Anbanathapuram Enathimangalam, Pallavarayanpet, Karugudi and Kanganamputhur. A.V. Charities had been serving the cause of religion and philanthropy for about 200 years and also as beacon light in the field of education to the innumerable youth, with rural background. A.V.Charities began its educational services by starting A.V.C. College (Autonomous) in 1955, extended their horizon to A.V.C. Polytechnic in 1983 and by opening A.V.C. College of Engineering in 1996.

About the Institution

A.V.C College of Engineering established in the year 1996, situated on the main highway of Mayiladuthurai to Thirukkadaiyur of Mayiladuthurai District, Tamilnadu in an evergreen scenic landscape of 30.09 acres. The Institute offers seven Under Graduate (UG) programmes and five Post Graduate (PG) programmes in Engineering, Technology, Management (MBA) and Computer Applications (MCA). The Institution has been accredited by National Assessment and Accreditation Council (NAAC) with 'B++' Grade.

About the Department

B.Tech Information Technology is a unique course in the institution. B.Tech IT Programme blossomed in the academic year 1999-2000. The Synchronization with industry and curriculum is the hallmark of this course. The department comprised of well qualified, experienced and dedicated faculty members to cater the needs of the students with parental care. Learning through continuous exposure to the industry makes the students to be competitive and combat to any situation.

Department provides a good platform for learning advanced concepts and research ambiance to meet the industry requirements for faculty members and students. Regular short-term courses, value added programmes, certificate courses, workshops, need based technological trainings for faculty members and students, societal programme for public are the best practices followed in the department. Students mould themselves as a complete IT professional by participating in various technical competitions and showcase their talents. Good number of publications by the faculty members and students, Good track of placements are the hall mark of the department.

Highlights of the Department

The department of Information Technology has got permanent affiliation from Anna University, Chennai from the academic 2014-2015. The department has continuously producing university rank holders. Adding feather to the Cap, fetched various grants from AICTE under the schemes SDP, MODROBS & Seminar, Anna University - FDTP - Centre for Faculty Development and TNSCST.

Programme Objective

The objective of this programme is to provide an extensive survey of IoT-based healthcare services and applications. To highlight the various industrial efforts to embrace IoT-compatible healthcare products and prototypes. To provide an extensive insight into security and privacy issues surrounding IoT healthcare solutions and proposing a security model.

Target Audience

The National Seminar is intended to provide opportunity to Faculty Members of Engineering / Polytechnic, Research Scholars and UG/PG Students to upgrade their knowledge in the field of social science Research in Medical IoT.
