World Environment Day 05.06.22

Report

The ECO Club of A.V.C College of Engineering organized World Environment day celebration on 5th Jun, 2022. In this context, we are conducted a seminar on the topic “Only One Earth” for the awareness of Environment for the students. Dr.R.Jayasankar, HoD, Civil Department acted as a resource person to delivered the awareness like waste management, water management, plastic free zone etc., .

A cycle Rally conducted from Mannampandal to Vadakkarai Village and distributed the Eco bag to create Environmental awareness to the public. Justice K.Venkataraman, Judge-Administrator, A.V.C Institutions, shown the green flag to pass the rally and distributed the Eco bag to the public and planted a tree in the campus. The Principal, Dr.C.Sundar raj and the Director, Dr.M.Senthilmurugan to participate the programme. The ECO Club Coordinator K.Ramesh, to organized the proramme in a nice manner.

In addition, NSS Volunteers to clean the campus and picked up the plastic throughout the campus.
