

A.V.C. College of Engineering

Mannampandal, Mayiladuthurai,

Department of Electrical and Electronics Engineering

Title of the Program: Future Opportunities in power sector in this COVID world – Webinar

Chief Guest details: Dr. S.Sambath, AE,TNEB, Mannargudi.

Co-ordinator: Mr.M.Alex, Assistant Professor-EEE, AVCC

Invitation:

A.V.C. COLLEGE OF ENGINEERING

Approved by AICTE | Affiliated to Anna University, Chennai |
Re - Accredited by NAAC with 'B++' Grade (2nd cycle) | An ISO 9001 : 2015 Certified Institution
Mannampandal, Mayiladuthurai, Nagapattinam (DT), Tamilnadu - 609 305
☎ 04364 - 227202, 224202 | ✉ avcce@avccengg.net

Program Report: “Future Opportunities in power sector in this COVID world – Webinar”

The webinar titled "Future Opportunities in Power Sector in this Covid World" held on 5-6-2020 aimed to provide insights into the power sector's prospects amidst the challenges posed by the Covid-19 pandemic. Organized by department of electrical and electronics engineering at AVCCE, the event attracted professionals, researchers, and students interested in understanding the evolving landscape of the power industry. The esteemed panel of speakers discussed various facets of the industry and its adaptation to the new normal. Dr. A.Ravi, a distinguished Professor and Head of the Department of Electrical and Electronics Engineering, commenced the event with a warm welcome address. He acknowledged the unprecedented times and highlighted the need for discussions on adapting to the current situation while identifying opportunities in the power sector. Mr. M.Alex, an Assistant Professor in the Electrical and Electronics Engineering department, introduced the chief guest and speaker, Dr. S. Sambath, who is an Assistant Executive Engineer at the Tamil Nadu Electricity Board (TNEB) Mannargudi. Mr. M.Alex underlined the importance of such discussions, especially in a time when the power sector is undergoing significant transformations. Dr. M.Senthilmurugan, the Director of the institution, delivered the presidential address. He emphasized the power sector's crucial role in sustaining essential services during the pandemic and lauded the efforts of the organizing team in bringing together experts to share their insights.

Dr. S. Sambath, the chief guest, addressed the attendees, shedding light on the future opportunities in the power sector despite the challenges imposed by the pandemic. He discussed how the TNEB had navigated through the crisis, ensuring uninterrupted power supply while also embracing technology to enhance efficiency and remote management. Dr. S. Sambath address was enlightening, as he delved into topics such as smart grid technologies, renewable energy integration, and the growing significance of digitalization in power distribution. Following the speakers' presentations, the webinar transitioned into an interactive session. Attendees actively engaged with the speakers, posing questions about the sector's resilience, the role of emerging technologies, and the impact of remote work on power operations. The insightful discussions provided attendees with a deeper understanding of the challenges and opportunities in the power sector during the Covid-19 era. The vote of thanks was delivered by Mr. A. Raja on behalf of the organizing team. He expressed gratitude to the speakers, attendees, and the technical support team for making the webinar a success.
