The chairman welcomed all the members present individually. The chairman thanked everybody individually for having put forth greatest efforts in attending this meeting.

The following points were discussed and the following resolutions were made by suggestions given by the committee members.

- The convener reviewed the key points discussed in the previous meeting with all committee members.
- An update on the progress of NAAC-related work was presented to the PAC members.
- Faculty members are actively engaging students with content beyond the syllabus and conducting additional experiments to effectively achieve the Program Educational Objectives (PEOs).
- The Programme Advisory Committee (PAC) approved the current Vision and updated Mission statements of the Information Technology Department.
- Program Outcomes (POs) were discussed in consultation with key stakeholders including students, faculty, alumni, industry professionals, and parents, ensuring alignment with the NBA-defined graduate attributes.
- The mapping of Course Outcomes (COs) with POs and PEOs was reviewed and validated.
- The Outcome-Based Education (OBE) practices implemented within the department were evaluated for effectiveness.
- Faculty participation in NPTEL certification courses was acknowledged and documented for the chairman's review.
- Mr. Rajkumar suggested to choose Japanese language for the next semester to enhance students' opportunities for placements in Japanese companies.
- Dr. Sridharan added to identify the weak students and review the answer scripts of CIA exams to improve the pass percentage.
- Faculty research activities were reviewed, including completed projects, ongoing progress, publications in reputed journals, and the submission of research funding proposals.
- Advisory members recommended organizing expert talks by industry professionals and alumni on current and emerging topics.
- Strategies to enhance student performance in GATE examinations were discussed, with a focus on improving preparation levels.
- Discussions were held on lab equipment requirements and vertical elective slot offerings as per the Anna University Regulation 2025 syllabus.
- Student performance in Anna University exams and government-led skill development programs was reviewed. Placement and internship progress was also discussed in detail.
- The committee members proposed their views in that meeting and it was completed around 3.00 PM and further they are decided to conduct the meeting in the January 2026.
