Report on SIH Awareness Program

Date: 03.09.2025

Venue: IT Department, AVC College of Engineering

Event: *Smart India Hackathon (SIH) Problem Statements Awareness Program*

Objective:

The objective of the program was to create awareness among the final year and third-year IT students about the problem statements of the *Smart India Hackathon (SIH)* and to encourage active participation in this prestigious national-level event.

Details of the Program:

- The *SIH Awareness Program* was organized on **03rd September 2025** by the Department of Information Technology.
- The invited speakers were:
 - **Mr. Sujith Sridhar**, 2025 Batch.
 - **Mr. Amarnath V**, 2025 Batch, Alumni of the Mechanical Department.
- Both resource persons shared their insights on the significance of Smart India Hackathon, the process of selecting problem statements, and strategies to build innovative solutions.
- The speakers emphasized the importance of team collaboration, ideation, and prototype development to achieve success in SIH.

Participants:

The session was attended by the **final year and third-year students of the IT Department**, who showed keen interest in understanding the problem statements and the opportunities offered by the Hackathon.

Outcome:

- Students gained clarity on the scope and nature of SIH problem statements.
- The session motivated participants to actively engage in problem-solving and innovation.

- The interaction provided practical tips from alumni who had prior exposure to hackathon culture, thus inspiring students to pursue similar achievements.

Conclusion:

The *SIH Awareness Program* served as a valuable platform for inspiring IT students to take part in Smart India Hackathon with confidence and enthusiasm. The department extended sincere appreciation to the resource persons, **Mr. Sujith Sridhar** and **Mr. Amarnath V**, for their valuable contribution.
