Report on

Skill Up gradation Programme on “Samvaad in Hindi: Communication for Career Growth”

Department of Information Technology organized a **Skill Upgradation Programme** on **25.10.2025** for the IT students on the topic “**Samvaad in Hindi: Communication for Career Growth**”. The objective of the programme was to enhance students’ linguistic proficiency and to help them understand the significance of Hindi as a tool for effective communication in professional and academic environments.

The session was handled by **Dr. M. S. Gayathri**, Assistant Professor, A.V.C. College of Engineering. The event took place at the IT Seminar Hall, which provided an engaging platform for interactive learning.

The programme commenced with a warm welcome address by **Dr. K. Krishnakumari**, Head of the Department of Information Technology, who emphasized the importance of developing communication skills in multiple languages, especially in a diverse country like India where multilingualism enhances employability and cultural understanding

Programme Highlights:

- The session emphasized the importance of Hindi as an effective medium for professional communication.
- Students were introduced to practical expressions and vocabulary relevant to workplace interactions.
- Interactive activities and role plays enhanced participants’ speaking confidence.
- The resource person encouraged students to adopt multilingual communication skills for better career prospects.

At the end of the session, **Dr. K. Aruna**, Associate Professor and Programme Coordinator, proposed the vote of thanks.
