### ***About A.V. Charity***

The Anbanathapuram Vahaira Charities established in 1806 by the five philanthropic families of Anbanathapuram, Enathimangalam, Pallavarayanpet, Karugudi and Kanganamputhur. The Founder Sri. S. Ramalingam Pillai sowed the seeds of A.V. Charities in memory of his beloved son Thiru. Velayutham Pillai.

A.V. Charities had been serving the cause of religion and philanthropy for about 200 years and also as beacon light in the field of education to the innumerable youth, with rural background. A.V. Charities began its educational services by starting the A.V.C. College (Autonomous) in 1955, extended their horizon to A.V.C. Polytechnic in 1983 and by opening A.V.C. College of Engineering in 1996.

### ***About the Institution***

A.V.C College of Engineering is situated on the main highway of Mayiladuthurai to Thirukkadaiyur of Nagapattinam District, Tamilnadu in an evergreen scenic landscape of 30.09 acres.

The Institute offers seven Under Graduate programmes and five Post Graduate programmes in Engineering, Technology, Computer Applications and Management disciplines.

Three programmes have been accredited by National Board of Accreditation (NBA-AICTE) during the period of 2012 - 2015.

The Institution has been accredited by National Assessment and Accreditation Council (NAAC) for the period of five years under grade 'B' with a CGPA of 2.73/4.00. Also, the Institution is an ISO 9001:2008 certified one.

### ***About the Department***

Department of Computer Applications offers MCA, M.S(Research) and Ph.D programmes in the discipline of Computer Applications and Computer Science & Engineering under the affiliation of Anna University, Chennai.

It provides a good theoretical foundation through high quality teaching complemented by extensive practical training.

The Department produced more than 37 University Rank holders in the University Examination conducted by Anna University.

A total grant-aid of Rs. 8,30,000.00 has been received from various funding agencies and organization such as AICTE, ISTE, TNSCST and Anna University in the past three years.

### ***About the Workshop***

'C' programming language is recognized worldwide and used in a multitude of applications, including advanced scientific systems and operating systems. Many languages such as C++, Java, C#, Perl, PHP, Python and Unix's 'C' Shell have been borrowed directly or indirectly from 'C'.

Many job advertisements focus on requiring knowledge of 'C' Programming, a portable language which is near to machine as well as human. The workshop is aimed to cover the essential blocks of 'C' Language with possible Technical Aptitude questions and answers in 'C' to explore the hidden treasure of 'C' programming and to promote the skills of the participants in 'C' language and to make them employable.

### ***Who Can Participate***

MCA / BCA / B.Sc. / BBA / B.E / B.Tech./ Diploma Students and Faculty Members from Engineering, Polytechnic and Arts & Science Colleges are invited to attend the workshop.

### ***Workshop Coverage***

The workshop aims to cover the following content:

- ***Basic features and Operators of 'C'***
- ***Arrays, Functions & Pointers***
- ***Structures & Union***
- ***Macro & Storage Classes***
- ***Hidden treasure of C Programming***
- ***Technical aptitudes in C***

### ***Workshop Speakers***

Well experienced, dedicated and committed faculty members of the Department of Computer Applications will act as the resource persons and conduct the hands-on practical sessions.

### ***Bus Route***

A.V.C. College of Engineering is situated on the main highway, four kilometers from Mayiladuthurai to Thirukkadaiyur. Our College Buses will be operated from Kumbakonam, Thiruvarur, Chidambaram, Porayar, Mangaimadam @ 7.15 am and Mayiladuthurai @ 8.15 am.
