

About Institution

A.V.C. College of Engineering established in the year 1996, situated on the main highway of Mayiladuthurai to Thirukkadaiyur of Mayiladuthurai District, Tamilnadu in an evergreen scenic landscape of 30.09 acres. The Institute offers seven Under Graduate (UG) programmes and Post Graduate (PG) programmes in Management Studies (MBA) and Computer Applications (MCA). The Institution has been accredited by National Assessment and Accreditation Council (NAAC) with 'B++' Grade on 2nd Cycle and it is on the way for 3rd Cycle. Four UG Programme accredited by National Board of Accreditation (NBA). The Institution is also certified by ISO 9001:2015.

About Department

B.Tech. Information Technology is a unique course in the institution. The B.Tech. IT programme blossomed in the academic year 1999-2000 with an initial intake of 40, which was increased to 60 in the subsequent year and now 120. The department of Information Technology has got permanent affiliation from Anna University, Chennai from the academic year 2014-2015. Our students are regularly securing Anna University Ranks. Adding feather to the cap, fetched various grants from AICTE under the schemes SDP, MODROBS & Seminar, Anna University FDTP Centre for Faculty Development, ICSSR and TNSCST.

About Seminar

The National Seminar catalyzes interdisciplinary dialogue and collaboration on cybersecurity issues affecting critical infrastructure and national security. In an increasingly interconnected world, where digital systems underpin essential services and strategic assets, understanding and mitigating cyberspace challenges are imperative for ensuring societal resilience and safeguarding national sovereignty. Through keynote presentations, panel discussions, and interactive seminar participants will delve into the multifaceted landscape of cyberspace challenges, from emerging threats to vulnerabilities inherent in critical infrastructure systems.
