About A.V. Charity

The Anbanathapuram Vahaira Charities established in 1806 by the five philanthropic families of Anbanathapuram, Enathimangalam, Pallavarayanpet, Karugudi and Kanganamputhur. The Founder Sri. S. Ramalingam Pillai sowed the seeds of A.V. Charities in memory of his beloved son Thiru. Velayutham Pillai.

A.V. Charities had been serving the cause of religion and philanthropy for about 200 years and also as beacon light in the field of education to the innumerable youth, with rural background. A.V. Charities began its educational services by starting the A.V.C. College (Autonomous) in 1955, extended their horizon to A.V.C. Polytechnic in 1983 and by opening A.V.C. College of Engineering in 1996.

About the Institution

A.V.C College of Engineering established in the year 1996, situated on the main highway of Mayiladuthurai to Thirukkadaiyur of Mayiladuthurai District, Tamilnadu in an evergreen scenic landscape of 30.09 acres. The Institute offers Eight Under Graduate (UG) programme and two Post Graduate (PG) programme in Computer Applications and Management Studies. The Institution has been accredited by National Assessment and Accreditation Council (NAAC) with 'A' Grade on 3rd cycle. Four UG Programme accredited by National Board of Accreditation (NBA). The Institution is also certified by ISO 9001:2015. Also the Institution is recognized by UGC under 2(f).

About the Department

Department of Computer Applications offers MCA under the affiliation of Anna University, Chennai. It provides a good theoretical foundation through high quality teaching complemented by extensive practical training. The Department produced 75 University Rank holders from the inception (including University First Rank twice). A total grant-aid of Rs.10,85,500 has been received from various funding agencies and organization such as AICTE, ISTE, TNSCST and Anna University.

About the Workshop

JAVA programming language is recognized worldwide and used in a multitude of applications, including advanced scientific systems and operating systems. Many job advertisements focus on requiring knowledge of JAVA Programming, a portable language which is near to machine as well as human.

The workshop is aimed to cover the essential blocks of JAVA Language with possible Technical Aptitude questions and answers in JAVA to explore the hidden treasure of JAVA programming and to promote the skills of the participants in JAVA language and to make them employable.

Who Can Participate

MCA / BCA / B.Sc. / BBA / B.E / B.Tech./ Diploma Students and Faculty Members from Engineering, Polytechnic and Arts & Science Colleges are invited to attend the workshop.

Workshop Coverage

The workshop aims to cover the following content:

- Java Basics
- Interfaces, Threads,
- Packages, Exception Handling
- Java Collections & Graphics-Applet
- Database Connectivity
- Java Servlet & RMI
- Introduction to Struts
- Technical Aptitude in JAVA
- Placement perspective

Workshop Speakers

Well experienced, dedicated and committed faculty members of the Department of Computer Applications will act as the resource persons and conduct the hands-on training sessions.
