

REPORT FOR TECHNOTHIRST 25 - 26

Our college successfully organized TechnothirstT 25 - 26, a National Level Student's Technical Symposium, held for three days from 8th to 10th October. The event attracted participation from over 85 institutions. More than 900 students participated enthusiastically in Paper Presentation and various events across multiple departments.

The Inaugural function of TechnothirstT 25-26 was held on 8th Oct, with Dr. Raghupathy, Senior Principal Scientist, CSIR who has consented to be the chief guest along with the presence of the Director, Dr. M. Senthilmurugan and Principal, Dr. P. Balasubramanian. The event began with a welcome address and lamp lighting, followed by inspiring speeches.

The symposium was conducted department - wise over three days. On 8th October, the Science and Humanities, MBA, and MCA (PG departments) conducted their sessions. On 9th October, the departments of EEE, ECE, ICE, Mechanical and Civil organized their events, followed by CSE, IT and AI&DS departments on 10th October. All the departments followed the protocols of IEEE format for paper presentations, with prior registration.

Each department conducted one paper presentation based on their core topics and two events. The UG departments organized events such as Tech Quiz, Debugging, Brainware, Wire Wizard, Treasure Hunt, Inno Connect Quiz, Joy Jam Spectacle, Website Designing etc.. while the PG departments hosted Best Manager, Business Quiz and Debugging competitions. Winners were awarded with cash prizes for Paper presentations and events. All participants were provided with refreshments, lunch, accommodation facilities, and participation certificates.

The Valedictory function was held on 10th October, in the presence of the Director, Dr. M. Senthilmurugan and Principal, Dr. P. Balasubramanian marking a successful conclusion to the event. The dignitaries appreciated the participant's enthusiasm and congratulated the winners of various events.

The TechnothirstT 25 - 26 symposium served as a vibrant platform for students to exhibit their knowledge, innovation, and technical skills. It fostered team spirit, creativity, and interaction among students from various institutions, providing them with valuable exposure to emerging technologies and trends. Overall, the event proved to be a remarkable success and offered significant academic and professional advantages to all participants.

INAUGURAL CEREMONY
