

AVC COLLEGE OF ENGINEERING

DEPARTMENT OF CIVIL ENGINEERING

Report on the guest lecture program “THE WORLD CANNOT EXIST WITHOUT WATER “

Department of Civil Engineering and Eco Club organized a Guest lecture program on 22.03.2022 which is celebrated as World Water Day. On this day Er.V.Shanmugam M.E., Executive Engineer, PWD, Mayiladuthurai acted as a resource person and delivered a lecture on “THE WORLD CANNOT EXIST WITHOUT WATER “.

He stressed on the importance of conservation and preservation of water.

He talked in length about Cauvery source tributaries Ayacuts, till the back end of its closure before the joining of Bay of Bengal.

He has touched upon how Cauvery is helpful to the millions of people enroute.

The staff and students gave full attention to the details given by the resource person and enriched their knowledge.

Finally every student took a pledge to save water.
