INTELLECTUAL PROPERTY RIGHTS (IPR) CELL

REPORT ON ONE DAY CERTIFICATION WORKSHOP ON PATENT DRAFTING

Date: 23.03.2026

The IPR Cell of AVC College of Engineering successfully organized a *Patent Drafting Workshop* on *23rd March 2026* at the *MBA Seminar Hall* from *10.00 AM to 4.00 PM*.

The workshop was conducted under the guidance of *Dr. A. Ravi, IPR Cell Coordinator and Head of the EEE Department*, who also served as the Workshop Chair. Under his dynamic leadership, the IPR Cell has made remarkable achievements, including *32 inventions published*, *2 patents granted*, and *11 funded inventions under the Kapila scheme*.

The program commenced with a welcome address delivered by *Dr. R. Renukadevi, Assistant Professor – MBA &Coordinator of this workshop*, who warmly welcomed the dignitaries, faculty members, and participants.

The workshop witnessed enthusiastic participation from *32 batches, with a total of 130 students*, along with faculty members and IPR Cell faculty members from various departments. As per the guidelines, *four members from each team* attended the session, ensuring effective representation.

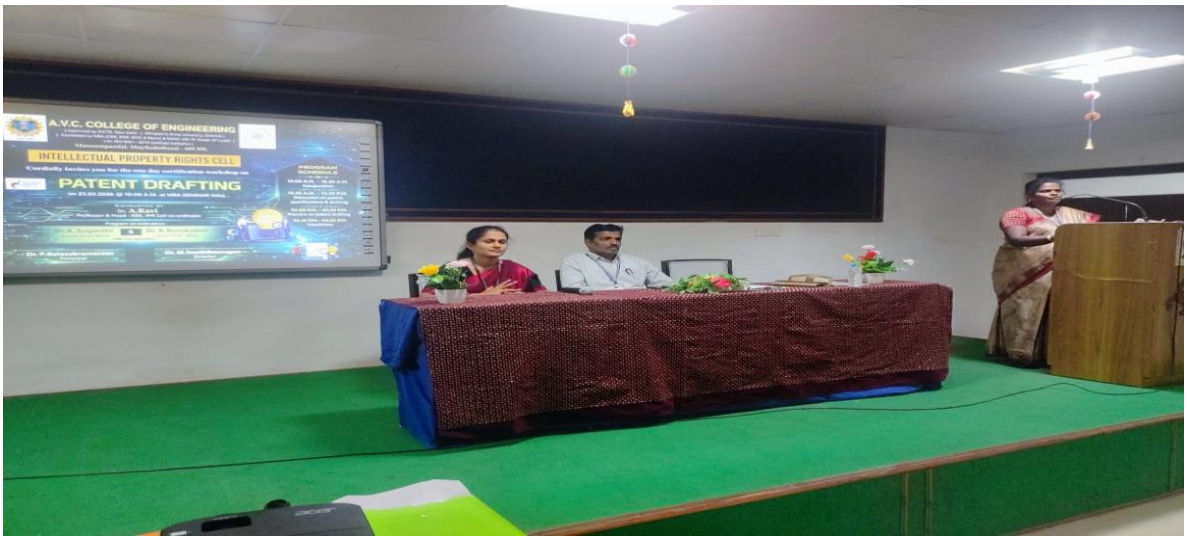

The session focused on the fundamentals of patent drafting, including:

- Understanding patents and their significance
- Structure and components of a patent document
- Techniques of drafting claims and specifications
- Filing procedures and legal aspects of patents

Dr. A. Ravi delivered an insightful and informative session, sharing his expertise and practical experiences in the field of patent filing and innovation. The session was highly interactive, with participants actively engaging in discussions and clarifying their queries.

The workshop provided a valuable platform for budding innovators and researchers to enhance their knowledge and skills in drafting patents effectively. It also motivated participants to transform their ideas into protected intellectual property.

The program concluded successfully with positive feedback from the participants, who found the workshop highly informative and beneficial and the vote of thanks delivered by Dr.A.Suganthi, Associate Professor-MCA, Coordinator of the workshop.

Overall, the Patent Drafting Workshop was a grand success, achieving its objective of promoting innovation and strengthening intellectual property awareness among participants.
